SUBJECT: Emergency Mobilization Preparedness Initiatives

In December 1981, I established the Emergency Mobilization Preparedness Board to ensure that a high priority would be accorded to emergency mobilization preparedness. The Board has accomplished much to date to compensate for the many years this area was essentially ignored. As you know, we now have a national policy on emergency mobilization preparedness as well as a Plan of Action to follow in implementing this policy.

DCI  
EXEC  
REG

Emergency mobilization preparedness is critical to our national security interests. Accordingly, I expect your full personal support and strong management commitment for the initiatives set out in the Plan of Action.
